

March 25, 2019

The Honorable Robert Andrzejczak
School House Office Park
211 S. Main Street, Suite 104
Cape May Court House, NJ 08210

Dear Senator Andrzejczak,

I am writing to ask that you join me for a one-hour debate regarding the \$4.5 million in school funding cuts foisted upon our district by your Democratic Party leaders in Trenton. During an appearance on the "Hurley in the Morning" program on Friday, I asked, and Harry Hurley graciously accepted, an offer to host this important forum between the two of us. I am sure you will agree that Harry is a complete professional and will moderate this forum in a completely fair and balanced way. All we need now is for you to accept the invitation.

I am eager to discuss your most recent legislation, S-3625, which we both know is a sham. By suggesting that this bill will restore our lost monies, you are intentionally misleading the people you were elected to serve. Frankly, it makes me question how little respect you and Democrat party bosses have for the intelligence of people in the First Legislative District.

Your strategy of talking like a Republican back home but voting with far-left Democrats in Trenton isn't going to work this election. People are fed up with Phil Murphy and the radical liberal agenda in Trenton. They aren't going to reward it by voting for more Democrats in South Jersey.

The radical far-left party that you belong to and have loyally supported with your votes in return for millions in campaign contributions has gone off the deep end. Raising taxes by billions and letting their cronies turn multi-billion-dollar state agencies into patronage pits for families and friends, while at the same time turning our state into a "sanctuary" for illegal immigrants. It's a disgrace.

Senator, we have much to discuss and I am hopeful you will accept this invitation for a substantive and spirited debate on the issues that matter to South Jersey. Please contact me at 609-402 9785 or mike@testafornj.com by close of business Wednesday, March 27 to let me know if you will debate. Thank you.

Sincerely,

Mike Testa, Jr.
Senate Candidate
